

BASF Days China

10th – 12th November 2014

Please apply until
10th October 2014

You are currently doing a **PhD** or **Post-Doc** in Europe in Chemistry with focus on Polymers or Material Science? Or are you in your **Master** or **PhD** of Engineering focusing on Chemical or Process Engineering?

You would like to know more about BASF and the job & career opportunities in China?

Apply now for the “**BASF Days China**” from 10th – 12th November 2014 in Ludwigshafen and get to know us better by discussions, lectures, lab visits and a site tour. You will meet the research experts and representatives of different research BASF sites.

Please send your application (CV and motivational letter) until 10th October 2014 to Dr. Franca Tiarks (franca.tiarks@basf.com).
