

1	Title	Relativistic energy-consistent ab initio pseudopotentials and applications to f-elements
	Date and place	June 3rd 2008, Tshinghua University, Beijing, China
2	title	MCDHF/DCB adjusted relativistic ab initio small-core pseudopotentials for U and its application
	Date and place	June 4 <sup>th</sup> 2008, Beijing Normal University, Beijing, China
3	title	Relativistic energy-consistent small-core pseudopotentials and applications to f-elements
	Date and place	April 24 <sup>th</sup> 2008; University of Lille 1, Lille, France
